

10 February 1984

MEMORANDUM FOR: Executive Director

VIA: Deputy Director for Administration

STAT FROM: [redacted] Director  
Center for the Study of Intelligence

SUBJECT: Intelligence Fair

1. This requests your approval of and support for an Intelligence Fair to be held in the Headquarters Building and Auditorium for three days in October.

2. Designed to complement and further the Agency's Quest for Excellence, by contributing to the organization's esprit, the Fair would combine static displays (such as OSS radio gear, World War II and Korean War propaganda posters, OSO devices) arranged at the entrance and throughout the first floor of Headquarters with presentations (suitable films) and lectures by Agency "greats." The latter will be selected with a view to rehearsing for today's officers both our successes and failures of the past. The presentations in the Auditorium would be scheduled over three days; the exhibits would be displayed for the month.

3. If you agree, we propose to involve the Offices of Communications and Logistics, Public Affairs, and Medical Services, STAT and to solicit the assistance of the Fine Arts Commission.

cc: Director of Communications  
Director of Logistics  
Director, Public Affairs Office  
Director of Medical Services  
✓Chairman, Fine Arts Commission
